Mr. James M. Frey  
Assistant Director for  
Legislative Reference  
Office of Management and Budget  
Washington, D.C. 20503

Dear Mr. Frey:

Thank you for the opportunity to comment on the Justice Department's proposed amendments of 28 March 1978 to S. 1845, a bill "To protect the rights of individuals guaranteed by the Constitution of the United States and to prevent unwarranted invasion of their privacy by prohibiting the use of polygraph-type equipment for certain purposes."

As noted in the letter, my staff worked with the Justice Department on the proposed amendment and the Director supports the proposal. I would like to point out, however, that in subparagraph 247(b)(1)(B), the following underlined words were inadvertently omitted by the Justice Department: "... and to contractors and employees of contractors selected by any such ...." On 4 April 1978 my staff contacted the Justice Department and was assured that the omission was inadvertent and that the amendment would be corrected.

STAT

Sincerely,

/ Acting Legislative Counsel
